BENNY'S CRUISE CENTER

CARNIVAL FLEET ENCYCLOPEDIA

Final Full-Size Wide Deck-Plan Edition

August 23, 2026

Professional uniform edition: every active ship uses the same chapter-to-deck-plan sequence. Official standard and accessible plans remain at their original wide page dimensions for maximum readability.

Format: Chapter page → full-size wide standard deck plan → full-size wide accessible deck plan → verified ship-specific notes.

Verification rule: No deck plan or ship-specific fact is borrowed from a sister ship. Future ships without published plans retain only officially released basics and the standard unavailable-information wording.

Active Fleet Contents

1. Carnival Adventure, 2. Carnival Breeze, 3. Carnival Celebration, 4. Carnival Conquest, 5. Carnival Dream, 6. Carnival Elation, 7. Carnival Encounter, 8. Carnival Firenze, 9. Carnival Freedom, 10. Carnival Jubilee

CARNIVAL JUBILEE - DECK PLANS & MEDICAL FACILITIES Verified expansion to Chapter 12

Medical Facilities

Carnival Cruise Line confirms that all of its ships have an onboard medical center staffed by licensed doctors and nurses. Routine care is available during posted office hours, and medical staff are available 24 hours a day for urgent or emergency care. Carnival states that its medical centers are equipped for routine conditions and to begin stabilization of more serious conditions. Medical services, medications, laboratory work, imaging, and supplies may involve additional charges. Jubilee-specific location note: Carnival's current official Jubilee deck-plan PDF does not label the Medical Center on the published guest deck plan. Because the exact deck location is not identified in the official plan, this encyclopedia does not guess or infer a deck number. The location can be confirmed onboard through the Carnival HUB App, Guest Services, or ship signage. Medical sources: Carnival Cruise Line - Medical Services; Shipboard Medical Services FAQs; Shipboard Staffing and Equipment / Medical Emergencies (verified August 23, 2026).

Official Standard Deck Plan

Carnival's official standard deck plan for Carnival Jubilee. Decks shown: 4-12, 14-17, and forward/aft sections of 18-19. The plan includes stateroom categories, connecting-room symbols, and scooter/accessibility notices.

Official Accessible Deck Plan

Carnival's official accessible deck plan for Carnival Jubilee, showing accessible routes, ramps, wheelchair-accessible restrooms, lifts/elevators, Fully Accessible Staterooms (FAC), FAC Single Side Approach rooms, Ambulatory Accessible Staterooms (AAC), and scooter- accommodation markings. Verified Ship-Specific Research Notes

Carnival Panorama

Medical Facilities

Carnival Cruise Line confirms that all ships have a well-equipped onboard Medical Center staffed by licensed doctors and nurses. Routine care is provided during posted office hours, and medical personnel are available 24/7 for urgent or emergency care. Carnival states that its onboard medical centers meet or exceed American College of Emergency Physicians cruise-ship healthcare guidelines. Panorama-specific location note: Carnival's current official Carnival Panorama standard and accessible deck-plan publications do not label a Medical Center or infirmary on the published guest deck plans. The exact deck location is therefore recorded as not officially identified in these published plans rather than inferred. Medical source: Carnival Cruise Line, Shipboard Medical Services FAQs and Medical Services guidance; verified August 23, 2026.

Accessibility

Carnival's Panorama-specific accessible deck plan identifies accessible routes including ramps; accessible restrooms, elevators, lifts and other accessible areas; Fully Accessible Staterooms (FAC); Fully Accessible Staterooms - Single Side Approach (FAC-SSA); Ambulatory Accessible Staterooms (AAC); connecting- stateroom markings; and the unisex wheelchair-accessible restroom symbol.

Verified Ship-Specific Research Notes

Carnival Radiance

Verified Ship-Specific Expansion

Medical Facilities

Carnival Cruise Line confirms that all ships have a well-equipped onboard Medical Center staffed by licensed doctors and nurses. Routine care is available during posted office hours, while medical staff are available 24/7 for urgent or emergency care. Carnival states that its onboard medical centers meet or exceed American College of Emergency Physicians cruise-ship healthcare guidelines. Radiance-specific location note: Carnival's current official Carnival Radiance standard and accessible guest deck-plan publications do not label a Medical Center or infirmary. The exact deck location is therefore recorded as not officially identified in these published plans rather than inferred. Medical source: Carnival Cruise Line, Shipboard Medical Services FAQs and Medical Services guidance; verified August 23, 2026.

Accessibility

Carnival's Radiance-specific accessible deck plan identifies accessible routes including ramps; accessible restrooms, elevators, lifts and other accessible areas; Fully Accessible Staterooms (FAC); Fully Accessible Staterooms - Single Side Approach (FAC-SSA); Ambulatory Accessible Staterooms (AAC); connecting- stateroom markings; and the unisex wheelchair-accessible restroom symbol. Carnival currently lists Carnival Radiance among ships equipped with a pool lift. Carnival says pool lifts are typically located at the main pool and have a 300-pound weight limit; if temporarily relocated, aquatic attendants can assist.

Accessibility

source: Carnival Cruise Line, Carnival Radiance Accessible Deck Plan and Facilities & Services for Guests with Disabilities; verified August 23, 2026.

Official Standard Deck Plan

Carnival's current official Carnival Radiance deck plan shows Riviera Deck 1, Main Deck 2, Lobby Deck 3, Atlantic Deck 4, Promenade Deck 5, Upper Deck 6, Empress Deck 7, Verandah Deck 8, Lido Deck 9, Panorama Deck 10, forward and aft Spa Deck 11, forward and aft Sun Deck 12, and Sky Deck 14. The plan identifies stateroom categories, connecting staterooms, public venues and accommodation symbols. Verification note on ship-profile figures: Carnival's current Radiance deck-plan files contain conflicting profile figures. The current accessible/combined plan shows 102,232 gross tons and 1,120 staff, while the July 2026 Carnival Fleet Guide used for the encyclopedia's base record lists 101,509 gross tons and 1,108 team members. Guest capacity (2,984 double occupancy), length (893 feet), beam (116 feet), cruising speed (21 knots), and Bahamas registry are consistent. The encyclopedia therefore preserves the July 2026 Fleet Guide figures in the base record and records this source discrepancy instead of silently replacing them. Deck-plan source: Carnival Cruise Line, Carnival Radiance Standard Deck Plan; verified August 23, 2026.

Official Accessible Deck Plan

Carnival's official accessible Carnival Radiance deck plan is reproduced below for ship-specific accessibility reference.

Verification Note

This chapter uses Carnival Radiance's own current official Carnival publications. No deck-plan, accessibility, pool-lift, or medical-center-location detail has been inferred from another ship. The conflicting Radiance ship-profile figures published by Carnival are documented explicitly above rather than resolved by assumption. Deck-plan sources: Carnival Cruise Line, Carnival Radiance Standard Deck Plan and Carnival Radiance Accessible Deck Plan; verified August 23, 2026.

Carnival Splendor

Verified Ship-Specific Expansion

Medical Facilities

Carnival Cruise Line confirms that all ships have a well-equipped onboard Medical Center staffed by licensed doctors and nurses. Routine care is available during posted office hours, while medical staff are available 24/7 for urgent or emergency care. Carnival states that its onboard medical centers meet or exceed American College of Emergency Physicians cruise-ship healthcare guidelines. Splendor-specific location note: Carnival's current official Carnival Splendor standard and accessible guest deck-plan publications do not label a Medical Center or infirmary. The exact deck location is therefore recorded as not officially identified in these published plans rather than inferred. Medical source: Carnival Cruise Line, Shipboard Medical Services FAQs and Medical Services; verified August 23, 2026.

Accessibility

Carnival's Splendor-specific accessible deck plan identifies accessible routes including ramps; accessible restrooms, elevators, lifts and other accessible areas; Fully Accessible Staterooms (FAC); Fully Accessible Staterooms - Single Side Approach (FAC-SSA); Ambulatory Accessible Staterooms (AAC); connecting- stateroom markings; and the unisex wheelchair-accessible restroom symbol. Pool-lift verification: Carnival Splendor is not included in Carnival's current published list of ships with pool lifts. This encyclopedia therefore does not claim a pool lift for Splendor. Guests who require one should confirm current arrangements with Carnival Guest Access Services before sailing.

Accessibility

source: Carnival Cruise Line, Carnival Splendor Accessible Deck Plan and Facilities & Services for Guests with Disabilities; verified August 23, 2026.

Official Standard Deck Plan

Carnival's current official Carnival Splendor deck plan covers Riviera Deck 1, Main Deck 2, Lobby Deck 3, Atlantic Deck 4, Promenade Deck 5, Upper Deck 6, Empress Deck 7, Verandah Deck 8, Lido Deck 9, Panorama Deck 10, Spa Deck 11, forward and aft Sun Deck 12, and Sky Deck 14. The plan identifies stateroom categories, connecting staterooms, public venues and accommodation symbols. Ship-profile figures printed on Carnival's current deck plan: 113,300 gross tons; 952 feet long; 116-foot beam; 21-knot cruising speed; 3,012 guests at double occupancy; 1,150 total staff; Panama registry. Current-web-profile note: Carnival's current public ship page displays 113,573 gross tons while the current official deck-plan PDF displays 113,300. Both Carnival-published figures are retained as a documented source difference rather than silently reconciled. Deck-plan source: Carnival Cruise Line, Carnival Splendor Standard Deck Plan; verified August 23, 2026.

Official Accessible Deck Plan

Carnival's official accessible Carnival Splendor deck plan is reproduced below for ship-specific accessibility reference.

Verification Note

This chapter uses Carnival Splendor's own current official Carnival publications. No deck-plan, accessibility, pool-lift, or medical-center-location detail has been inferred from another Carnival ship. Where Carnival's current web profile and deck-plan PDF disagree on gross tonnage, the discrepancy is recorded explicitly. Deck-plan sources: Carnival Cruise Line, Carnival Splendor Standard Deck Plan and Carnival Splendor Accessible Deck Plan; verified August 23, 2026.

Carnival Cruise Line confirms that all ships have a well-equipped onboard Medical Center staffed by licensed doctors and nurses. Routine care is available during posted office hours, while medical staff are available 24/7 for urgent or emergency care. Carnival states that its shipboard medical centers meet or exceed Cruise Lines International Association and American College of Emergency Physicians guidelines. Sunrise-specific location note: Carnival's current official Carnival Sunrise standard and accessible guest deck-plan publications do not label a Medical Center or infirmary. The exact deck location is therefore recorded as not officially identified in these published plans rather than inferred. Medical source: Carnival Cruise Line, Shipboard Medical Services FAQs and Medical Services guidance; verified August 23, 2026.

Accessibility

Carnival's Sunrise-specific accessible deck plan identifies accessible routes including ramps; accessible restrooms, elevators, lifts and other accessible areas; Fully Accessible Staterooms (FAC); Fully Accessible Staterooms - Single Side Approach (FAC-SSA); Ambulatory Accessible Staterooms (AAC); connecting- stateroom markings; and the unisex wheelchair-accessible restroom symbol. Carnival currently lists Carnival Sunrise among ships equipped with a pool lift. Carnival states that pool lifts are typically located at the main pool and have a 300-pound weight limit; if a lift is temporarily relocated, aquatic attendants can assist.

These figures align with the July 2026 fleet-guide base record except for the stylistic use of "The Bahamas" rather than "Bahamas." Verified Ship-Specific Expansion

Medical Facilities

Carnival Cruise Line confirms that its ships have onboard medical centers staffed by licensed doctors and nurses. Routine care is provided during posted office hours, with medical personnel available for urgent or emergency needs outside those hours. Sunshine-specific location note: Carnival's current official Carnival Sunshine standard and accessible guest deck-plan publications do not label a Medical Center or infirmary. The exact deck location is therefore recorded as not officially identified in these published plans rather than inferred. Medical source: Carnival Cruise Line shipboard medical-services information; verified August 23, 2026.

Accessibility

Carnival's current Sunshine-specific accessible deck plan identifies accessible routes including ramps; accessible restrooms, elevators, lifts and other accessible areas; Ambulatory Accessible Staterooms (AAC); connecting-stateroom markings; and the unisex wheelchair-accessible restroom symbol. Important plan-specific note: unlike several other Carnival ship accessibility plans, the current official Carnival Sunshine accessible deck plan reviewed for this edition does not show FAC or FAC-SSA categories in its legend. This encyclopedia therefore records only the accessibility categories explicitly shown on Sunshine's own published plan. Pool-lift note: no Sunshine-specific pool-lift claim is made in this chapter because the official Sunshine deck- plan publications reviewed here do not identify one. Guests who require a pool lift should confirm current equipment and location with Carnival Guest Access Services before sailing.

The plan identifies stateroom categories, connecting staterooms, public venues and accommodation symbols.
